OUR MISSION

- To update the Cotham School job description of the **role of the tutor**
- Discuss some **experiences** a young person may have and how a tutor can support them
- Provide practical activities you can take away and try with your tutor group to help foster **positivity**

What we do

How I do it

THE ROLE OF A FORM TUTOR

The role of the Tutor is **important**. The tutor is the member of staff who knows our students best, as they see them each and every day.

One of the most important aspects of being a tutor is to get their **day off to a good start**.

Thanks Morag!

You are awesome!

You are awesome because...

- I spied with my little eye 5 KMers in homework club this week
- "I popped into their science lesson and they were silent, engaged, working hard and asking some really high level questions. A perfect class!" (Miss Aiken)
- "Husnain has made an outstanding start to RE this year" (Mr Collins)
- Galliford – player of the match v OAB
- We have the fewest behaviour points on SIMS (along with JBR and MPI)

Monitoring Report
for **gKM**

Date:

Please complete the monitoring of Ferrari's targets using the following criteria and initial the box.
0 = Not Met 1 = Partially Met 2 = Fully Met

N.B. Please ensure that Ferrari is sat in an appropriate seating plan for all lessons

Targets	Tutor Time		Lesson 1		Lesson 2		Lesson 3		Lesson 4		PM Reg		Lesson 5	
	Teacher	Parent	Teacher	Parent	Teacher	Parent	Teacher	Parent	Teacher	Parent	Teacher	Parent	Teacher	Parent
To arrive on time to lessons														
To be polite and respectful towards everyone														
To work hard on activities set and to produce work he is proud of.														

Red = 5 or more zeroes in a day

Amber = 1-4 zeroes in a day

Green = no zeroes in a day

If you would like to record any comments about Ferrari's progress towards achieving these targets please E-Mail Miss McDonagh or alternatively comment in the box below

Ferrari! All parts of this form must be completed daily and given to Miss McDonagh BEFORE you go home.

How did I do today?
(Ferrari do you feel it was a red / amber / green day?) Why?
What are you going to do next time?
THIS BOX MUST BE COMPLETED – Do not attempt to give Miss McDonagh this form without a comment

“You are kind and funny but when it comes to dealing with bad behaviour you are serious, which is a good thing. You are always organised and easy to talk to”.

BEST CONSEQUENCE?

Duty with me on the field
at lunchtime. Simple.

SCENARIOS – HOW WOULD YOU DEAL WITH THIS?

- Look at the scenarios with an elbow buddy or in table groups
- What action do you think should be taken?
- You will need to decide if the tutor will be able to deal with it or should it be passed onto the LC.

1. I was an Irish dancer when I was younger and whilst I was stood on stage about to perform, I fell asleep

2

★

**2. I was on a train and it was really crowded and there were not enough poles to hold. The train started to move and I thrust backwards into someone's lap. I was mortified as I had to stay on the train for 10 minutes (everybody was staring at me) ...
#awkward**

3

★

3. My year 5 primary school teacher made me play the role of 'Gepetto' (Pinocchio's Dad) as nobody else could sing and do an Italian accent

4

4. In my previous job as a Service Supervisor at B&Q I was the 'basket lady' (face of B&Q)

5

5. All I had to do was read a verse of 'Away in a manger' (hymn) at a Church concert. I was so nervous I had a mental blank and sang it

"@7puzzle: This is a classic! Where did the missing square come from?"
morning #tutortime activity for KM - thanks!

The Missing Square Paradox

One triangle, made up of four shapes.
When the shapes are re-arranged into an
identical triangle, a missing square appears.
How is this possible?

Your shoes can tell your age!

Try this and see:

- 1) Take your shoe size
(no half sizes, round up)
- 2) Multiply it by 5
- 3) Add 50
- 4) Multiply by 20
- 5) Add ~~1014~~1015
- 6) Subtract the year you were born

The first digit(s) are your shoe size & the last 2 digits are your age!

Its shoe ----- magic!

"@Readingriot: If you could visit any literary landscape which would it be?
Hmmm! Narnia for me." #tutortime activity

Listen as much as possible to others.
Don't talk, just listen.

Day 15

Make your bed

Day 1

Have coffee with a friend, face-to-face.

Day 18

Take a portable speaker and create an outburst of music. If you dare, get up and dance!

Day 13

Share a simple pleasure with others today and ask someone else about their simple pleasure.

Day 10

Day 16

Get in the flow. Take on a challenge that you are passionate about and focus on that alone.

Day 5

Walk the walk! Stride around like you mean it!

Day 11

Spend money on others.

Day 21

Reflect on the past 31 days, using the colours red, orange and green to assess each day's action.

- Did not do/like.
- OK
- Made me/others happier.

Wear something silly.

Day 14

Turn your 'phone off for 4 hours during the day.

Day 17

Day 12

Make 10 in-person connections with strangers and people you know.

Day 7

Weigh-in on the Happiness Scales. 10 is the happiest you can be, 0 is rock bottom.

Day 22

Smile, but only if it's genuine. Don't fake it!

Day 8

Create a Health Optimism. Wake up every morning and be glad you don't have toothache! Stroke your jaw. No toothache! Yippee!

Pair up with a brilliant buddy who wants to do the Happiness Diet with you. Support Counts!

Day 2

Focus on benefits, not difficulties.

Day 19

See the rewards of both.

Day 23

Identify your happy people at home and at work.

They are your mood medicine. Spend time with them whenever you can.

Do it just like Nike says. Exercise just for the sake of the happy feeling.

Walk, run, skip or swim; whatever you like, but DO IT TODAY!

Day 6

Day 24

Laugh out loud, then belly laugh!

Create a great, buzzing playlist for your workplace.

Day 20

Encourage your family to tell you what makes them happy.

Day 29

Identify your 'mood heavers' and assess whether they have any valid points.

Day 28

Do one thing that makes the people you live with happy.

Day 30

Day 4

Say 'Hello' or 'Good Morning' to everyone you meet.

Day 3

Go outside for 10 minutes if it's cold, 20 minutes if it's warm.

Don't worry if they ignore you; just keep going.

Day 26

Look only for the good today.

"If you want the rainbow, you've gotta put up with the rain." Dolly Parton.

Day 25

Get carried away with an idea.

Day 21

Day 27

Give out 5 compliments to
